[STATEMENT OF PROBABLE CAUSE / NARRATIVE]

On 1 23 19 at approximately 12:36 pm, Central Communications received a call from a male subject, who reported he was inside SunTrust Bank (1901 US 27 S. Sebring, Highlands County, FL) and that he had just shot five people. Law Enforcement officers from Sebring Police Department and Highlands County Sheriff's Office responded to the incident location.

Upon arrival at the scene the exterior doors to the bank were found to be locked. Phone contact was maintained with the subject, who reported he was still inside the bank and was armed with a 9 mm handgun and wearing a bulletproof vest.

Law enforcement breeched the door and made entry into the bank. Inside the bank one male subject was found alive in a rear office and was taken into custody without further incident. There were five victims located inside the bank, who were all deceased. The five victims were lying face down on the floor in the main lobby of the bank, with apparent gunshot wounds to the back of their heads and upper torsos. There were multiple spent shell casings lying on the floor near the victims. There was a bulletproof vest and a 9 mm handgun located in the office where the male subject was taken into custody.

The male subject was identified as Zephen Xaver and was transported to HCSO, where he was interviewed. Prior to asking Xaver any questions I read his Miranda Warnings to him, to which he said he understood and agreed to speak.
